END OF YEAR MESSAGE

Now that we have closed the curtain on another remarkable year, the Uganda Handball Federation (UHF) extends its heartfelt gratitude and warm wishes to the entire handball community around the world. 2024 has been an extraordinary year for us, filled with significant milestones, growth, and a renewed sense of purpose in our journey to elevate the sport in Uganda and beyond.

Our key achievements have been strengthening grassroots development, enhancing infrastructure, capacity building, increased engagement and above all, National Team successes. These have contributed to an increase in Uganda's visibility and our ranking in the handball standings globally.

Now we are in a new year with a blank page where we are required to write 365 stories that will determine our new professional and personal successes. Our focus therefore will remain on expanding the sport, fostering inclusion and building sustainable programs. We are determined to further Uganda's position on the global handball stage, and we invite the international handball family to continue collaborating with us in these endeavors.

To every player, coach, referee, sponsor, fan, and above all, IHF, CAHB, ECAHF, NCS, UOC, and all National Federations – thank you for your unwavering support. Together, we are shaping the future of handball and inspiring a new generation of athletes.

May the New Year bring more victories, partnerships, and unity for our beloved sport.

With gratitude and best wishes
